LINKEDIN PROFILE

https://www.linkedin.com/in/gowri-akash-672750286/

Unique High School , Hyderabad — *SSC(X)*

May 2020

Board Of Secondary Education, 10.0GPA

PROJECTS

Generative AI Chatbot — *Developed a LangChain-based chatbot utilizing Streamlit and Gemini AI models, enabling natural and interactive user conversations.*

https://github.com/akash-jogi-835/first_gemini_app

Portfolio Website — *Designed and developed a personal portfolio website to showcase projects, skills, and achievements, utilizing modern web development practices.*

https://lnkd.in/giNtbRZ7

Terraform-Based Infrastructure as Code for College Website Deployment — *Developed and deployed a static website on AWS S3 using Terraform, automating infrastructure setup for scalable and secure hosting. Contributed to Terraform scripting, AWS CLI configuration, and front-end development, strengthening my DevOps and cloud management skills.*
Tools Used: Terraform, AWS S3, AWS CLI, HTML, CSS, JavaScript, Visual Studio Code.
